

5th Joint Convention Eurocord & Cordage Institute

Vienna
Austria
12-15 JUN
2022

After almost two years we finally can meet in person again! On behalf of Eurocord and Cordage Institute we want to make the 5th Joint Convention in Vienna a memorable event. It's a network and learning opportunity where the participants will have the benefit of an excellent environment for interaction.

CONVENTION VENUE

The convention meetings will take place in the elegant city of Vienna, Austria.

Austria's capital has a rich tradition in arts, culture, architecture, and the music of Mozart and Strauss.

Sitting at the ideological edge between East and West, Vienna has traditionally been the gateway between the two poles of Europe. A city that inspires with the old and the new alike.

What to see in Vienna?

Spanish Riding School - the oldest of its kind anywhere in the world.

St. Charles' Church - the last work of the eminent baroque architect Johann Bernhard Fischer von Erlach.

The many museums - one thing that Vienna really excels at.

Schönbrunn Palace - the former summer residence of the Habsburgs (the central European monarchy). Due to its historical significance, its unique layout and magnificent furnishings, the palace is a UNESCO World Heritage site.
